🚀 **Master AI Conversations & Boost Your Productivity!** 🚀

AI is only as powerful as the prompts you use. Here are **50+ expert-crafted prompts** to help you get **better results** when using ChatGPT for content creation, business, marketing, and more!

Now before we proceed further, kindly note; we would be using a formula for our prompt.

It's Called.

RISEN

**R - Role;** You have to give ChatGPT a Role, E.g, Act as a social media strategist with 10 years of experience….

**I - Instructions;** Give it clear instructions

**S: - Steps;** Give it steps to take

**E: - End Goal;** Give it an end goal

**N: - Narrowing;** tell it to be more specific and narrow it down to exactly what you need.

So Instead of saying; "Write a compelling [1000]-word blog post about [topic] with an engaging introduction and a strong call to action."

Do this;

ChatGPT Act as a Blog copywriter and content manager with 6 years of experience in the Content Creation/marketing industry Write a compelling [1000]-word blog post about [xyz topic], give me a strong hook and three body parts, that will capture the attention of the reader, with an engaging introduction and a strong call to action that will encourage the reader to sign up, make a purchase, etc, ….

**Duplicate this Framework/Formula on all 50 Niches below.**
